Volunteer Opportunities:

***Program Volunteer:** Do you enjoy getting creative and crafty? Are you one to enjoy community events that involve families and children? If so, being a Program Volunteer may be just the right fit for you! Our Program Volunteers will assist the Program Coordinator with weekly educational programming and art making or special events, such as Big Wheel Races or our Children's Flea Market.

***Office Helper:** Do you have an eye for detail? Do you enjoy prepping art projects (usually lots of cutting!), mailings or laminating? If office work is appealing to you, then this is the perfect volunteer option for you! Office Helpers will assist in light office work that may include cutting, laminating, filing and prepping program materials.

Check the Volunteer Opportunity box that you are interested in:

- Program Volunteer
- Office Helper

Signature: _____
